

BeuDura SPC Vinyl Flooring Maintenance Instructions

As a truly exceptional luxury floor, BeauDura requires little maintenance to perform year after year. Cleaning and maintenance frequency varies based on specific traffic volume and area of use. Walk-off mats, daily sweeping and a regular cleaning schedule will reduce daily dirt, dust and build-up and minimize the need for more extensive maintenance steps.

Immediate Care after Initial Installation

- Adhesive residue may be removed with a clean white cloth lightly dampened with mineral spirits.
- A minimum ¼" plywood should be used to cover a new floor when moving heavy objects.
- Sweep, dust mop or vacuum (without a beater bar) thoroughly.
- Keep the room temperature between 65 °F and 85 °F.
- Once the floor has been properly installed, you can begin to perform regular maintenance.

Regular Maintenance

- These floors can be easily maintained with damp mopping using a neutral vinyl floor cleaner when needed. BeauDura products do not require waxing or polishing, but may be waxed or polished, if desired.
- Sweep, dust mop, or vacuum thoroughly to remove all dirt and grit.
- Damp mop with properly diluted neutral LVT cleaner following the container instructions for proper dilution rate.
- Rinse (do not flood) with clean water.
- Always remove excess water and allow floor to fully dry.
- When utilizing a low RPM machine or auto scrubber, use properly diluted neutral detergent and the appropriate scrubbing pad or equivalent brushes.

Additional Recommendations

- Avoid cleaners that contain abrasives or solvents, which can permanently damage the floor.
- If using walk-off mats, place walk-off mats at all entrances as wide as the door and long enough to accommodate the soil load and weather conditions. Be sure to use only non-staining mats that do not feature a latex or rubber backing as these backings may cause permanent discoloration to the vinyl floor.
- Vacuum any mats or area rugs regularly.
- Use floor protectors, measuring at least 1" in diameter, under furniture to reduce indentation. Generally, the heavier the item, the wider the floor protector needs to be.
- Use of blinds or curtains is recommended for peak sunlight hours to prevent discoloration or damage due to excessive temperature variations.
- Always use wet floor signs in commercial applications when performing any wet maintenance.

BeuDura Limited Warranty

WARRANTY OWNER: This warranty extends only to the original end-user. Warranties are non-transferrable. All warranty coverage terminates if you sell or otherwise transfer the Flooring or the property to which the Flooring is attached. No installer, retailer, distributor or agent, or employee of BeauDura may alter the obligations or limitations of any BeauDura warranty.

Note: Gloss reduction or surface scratches are NOT considered surface wear.

INSTALLATION: BeauDura warrants the installation integrity of these products provided the floor was installed according to the BeauDura Installation Instructions. The flooring must be used only indoors in a dry, climate controlled area. The flooring must be maintained in accordance with BeauDura Maintenance Instructions.

WORKMANSHIP: BeauDura does not warrant installers' workmanship. Workmanship errors should be addressed to the contractor who installed the floor. Your BeauDura floor should be professionally installed by contractors who have demonstrated expertise in installing resilient floors.

TERMS: If a defect covered by this warranty occurs and is reported in writing to the merchant from which the flooring was purchased within the warranty period specified above as applicable, BeauDura will supply new flooring material of similar color and quality to replace the defective area. BeauDura will not pay or be responsible for any labor costs. In the event that BeauDura repairs a floor, this warranty shall remain in effect with respect to original floor.

LIMITATION ON DAMAGES: BeauDura excludes and shall not pay any incidental or consequential damages under this warranty. This shall include any liability for lost profits or any indirect, special or consequential damages. The remedies contained herein are the only remedies available for a breach of warranty of any kind. BeauDura's sole obligation and Distributor's sole remedy for claims arising hereunder for any and all losses and damages resulting from any cause shall be that BeauDura shall repair, at the option of BeauDura, or replace the defective material. In no event, including in the case of a claim on negligence, shall BeauDura be liable for incidental or consequential damages.

Exclusions

The following exclusions are NOT covered under this warranty agreement:

- Inherent variations that are consistent with those of a natural product to include pattern, color and texture do not indicate defective material.
- Dissatisfaction or damage due to improper installation or maintenance.
